

# Zenedu Affiliate Program Terms

Last updated: March 2026

## Commission

You earn 20% of every payment made by a customer you refer — for as long as they remain an active subscriber of Zenedu.

## How Referrals Are Credited

A referral is credited only after the customer's first payment, provided it occurs within 60 days of clicking your affiliate link. Customers already registered with Zenedu before clicking your link are not credited to you. If a customer clicks links from different partners, the commission goes to the partner whose link was clicked last.

## Referral Bonus

Every referred user receives 30 days of free access to Zenedu instead of the standard 14 days.

## Holding Period

The first commission from each customer is verified over 15 days before being credited to your balance.

## Plan Changes

If a customer switches from monthly to annual, commissions are accrued annually, and vice versa.

## Payouts

**Minimum amount:** \$50.

**Withdrawal methods:** USDT or credit to your Zenedu balance.

Withdrawal requests are processed between the 5th and 10th of each month.

## Refunds

If a customer receives a refund, the corresponding commission is deducted from your balance. If insufficient, the amount is withheld from future earnings.

## Prohibited Practices

- Using your affiliate link for your own purchases (self-referral)
- Offering discounts to customers using your commission
- Representing yourself as a Zenedu employee or representative
- Making false claims about the product (guaranteed results, nonexistent features)
- Sending spam — unsolicited bulk messages
- Using the Zenedu brand in paid advertising without prior approval

Violation of any of these rules may result in termination from the program and forfeiture of unpaid commissions.

## Termination

Zenedu may terminate your participation for violating these terms. Earned balance unrelated to violations will be paid out in the next payout window.

## Changes to Terms

We notify partners of any changes to these terms at least 30 days before they take effect.
